

# Contract Academics in Canada: Making a Living in a Neoliberal World

Please join us to discuss the professional realities of being contract academic faculty and the future of our universities.

## **Workshop:**

What can we do about the new realities of employment at universities?

The goal of the workshop is to explore key issues affecting our profession and to try to establish practices for change.

All are welcome: contract faculty and allies

**Saturday, June 2**

**2:30-4:30 pm**

**Room: BA211, Bricker Academic Building  
Wilfrid Laurier University**
